A former Midland Parade of Homes feature, this 2011 home still knows how to make an entrance. The open living area feels bright, welcoming, and made for gathering, with a gas fireplace, natural light, and a kitchen that keeps everyone connected. The sequestered primary suite gives you room to unwind, while spacious guest rooms with walk-in closets add comfort and function. Out back, the covered patio and yard are ready for cookouts, kids, pets, and easy evenings. Plus, the pool, park, and clubhouse are just a short walk away.
